

Applied and Economic Botany: Especially Adapted for the Use of Students in Technical Schools, Agricultural, Pharmaceutical and Medical Colleges (Classic Reprint) (Hardback)

By HENRY KRAEMER

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Applied and Economic Botany: Especially Adapted for the Use of Students in Technical Schools, Agricultural, Pharmaceutical and Medical Colleges In the practical examination of the crude materials of the market we find more or less contamination with fungi, lichens, and other lower plants, and for this reason, as well as for the understanding of the morphology of the higher plants, a more or less succinct treatment of the Principal Groups of Plants is given in Chapter I. Another reason which has prompted the author to lay considerable stress on the knowledge contained in this chapter is that if the student will master the technique and will apply himself to this part of the work, he will be better prepared to take up the study of the structures of higher plants. The chapter on Classification of Higher Plants is quite extended and illustrated with a large number of photographs, showing not only many of our interesting wild plants but the principal economic plants that are used as foods drugs, and for other economic purposes, with considerable valuable technical information concerning them. The...
