

Elementary Physical Geography (Classic Reprint) (Paperback)

By William Morris Davis

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elementary Physical Geography The educational progress of recent years has resulted in two profitable advances for the venerable subject of Geography. A strong feeling has been developed in favor of treating the subject as a whole more rationally than heretofore, and a wholesome desire has arisen in favor of introducing some of its scientific aspects more generally into the school course. A natural accompaniment of this progress has been a demand for text-books that shall present Physical Geography in its modern scientific development as well as in an elementary form. The present book, reduced from the author s Physical Geography, has been prepared to meet this demand. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
