*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

AuthorHouse. Paperback. Condition: New. 740 pages. Dimensions: 9.3in. x 6.2in. x 2.2in. What is this book about If you want one book that can comprehensively cover all the essential truths for a healthy Christian life then this is the book. I have written this book with a goal to provide one book that can serve the Christian in every essential area of his or her life. Have you ever wondered how to find Gods will for your life If so, this book provides the answer. Gods will is not mystical nor is it hard to find, unless of course the person has embraced false teaching on the subject. Have you ever asked what exactly are the doctrines found in the Bible What makes Christianity different than all other faiths If so, this book provides in a clear, easy to read, and direct manner the 12 doctrines of the Bible without compromise on the controversial teachings of the Bible that many shy away from in the church today due to church politics, the fear of man, or ignorance of the truth. Have you ever asked yourself what is right and wrong with your own church and the leadership If so, this book without apology reveals what a pure and honorable church looks like in structure and leadership qualities. It answers the tough questions about who runs the church (single elder rule, plurality elder rule, deacon rule, or congregational rule) and what defines a truly qualified pastor. Be aware though, it will reveal the characteristics of false teachers and unqualified pastors. If you are not willing to place your leadership to the test then this book is not for you. Have you ever questioned what a Christian should experience on a daily basis in areas such as ethics, evangelism (covering the controversial issues...
