The Athenian philosopher Plato, famous for his dialogues in which the Socratic Method was invented, was the first writer to mention the mysterious continent of Atlantis. In his works Timaeus and Critias, Plato outlines the beginning of the story of Atlantis, but the Critias, where the longer and more detailed account takes place, was never finished and,...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
