

Hermes, or a Philosophical Inquiry Concerning Universal Grammar (Classic Reprint) (Paperback)

Filesize: 4.09 MB

Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

HERMES, OR A PHILOSOPHICAL INQUIRY CONCERNING UNIVERSAL GRAMMAR (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Some of the most compelling books on any subject, are those born out of a deep love for the subject matter. James Harris, writer and grammarian, had two main goals in mind when publishing *Hermes Or a Philosophical Inquiry Concerning Universal Grammar*: his primary goal was to excite his Readers to curiosity and inquiry and if that goal was successfully achieved then his secondary goal was to captivate his readers to the point that they would willingly become teachers of grammar themselves. While these objectives may seem lofty, strange, or even inconceivable by today s readers; for someone living in the turn of the eighteenth century, with the freedom to do as they wished, these goals are no more or less worthy than those of scientists, peacekeepers, or philosophers of the time. Harris believed that the pursuit of grammatical purity was second to none, and the evidence of this passion is visible throughout his work. Defying expectations as a grammatical primer, *Hermes Or a Philosophical Inquiry Concerning Universal Grammar* is a comprehensive read, covering every aspect of grammar from the formation of words and sentences to the use of verbs, times, tenses, participles, conjunctions, prepositions and to the history of language and grammar. Harris spends a tremendous amount of time lovingly describing the ancient Greek language and its modern English variants. It is impossible to walk away from this text without learning something more than you already knew about grammar. Independently wealthy, Harris had the time and the drive to devote much of his life to the study of grammar. How one wrote or spoke often belied their refinement or education, and Harris believed that any man could learn to be a scholar,...
