Bantam Doubleday Dell Publishing Group Inc, United States, 1994. Paperback. Condition: New. A DellEleanor Friede ed. Language: English . Brand New Book. It was a simple incident in the life of James Clavell -- a talk with his young daughter just home from school -- that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, The Children s Story came into being that day. It was then that I really realized how vulnerable my child s mind was -- any mind, for that matter -- under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly -- almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions. Questions like, What s the use of I pledge allegiance without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children s Story keeps asking me all sorts of questions I cannot answer. Perhaps you can--then your child will.
