Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Modern Proverbs is dedicated to all who love proverbs, sayings and idioms tripping off their tongues, or off the tongues of others. If the old proverbs sometimes seem a little bit too old, then perhaps what you need is a modern proverb, designed for our age, the 21st century. This book contains over 500 new proverbs I decided to write during the down times of many a business trip. It s amazing how inspiring it can be to stare out the window of a jet at 30,000 feet and watch huge cloud banks drift across the landscape far below. I fell in love with proverbs and idioms around the age of ten, when I was gifted a book of proverbs by my grandmother. I dived into it, and finished it in a day or so. Those first proverbs gave me an essential weapon to fight adversity (not to mention the angst of a normal adolescence): a comeback ability second to none in my rather limited circle. So it was fun to start with a blank page, a pen, and my memories of days gone by. If you know someone who enjoys reading or proverbs, it could make a good gift, just as my grandmother s did to me when I was young. I hope that Modern Proverbs inspires others to create new proverbs! We could do with a few thousand more. Glenn Ashton BA, LLB, MBA.
