Hodder Stoughton General Division, United Kingdom, 2012. Paperback. Condition: New. New ed.. Language: English . Brand New Book. It s a truth universally acknowledged that Jane Austen knew more about marriage than anyone else. (Never mind that she never got married herself.)It s in the midst of the recession when Kate, a freelance journalist and self-professed Jane Austen addict, finds herself single, unemployed and soon-to-be homeless (not to mention about to turn 40). In desperation she accepts a writing assignment to prove a theory that in the toughest economic times a wealthy man is the only must-have accessory. So, with just Jane Austen s advice for company, she sets off to see if Mr Rich can ever become Mr Right.Her mission takes her to Palm Beach, St Moritz and London. Where, in keeping company with the elite, she meets billionaires, oil tycoons, and generally men who make Mr Darcy look like an amateur. But will rubbing shoulders with men of good fortune ever actually lead her to love?.
