Little Girl Blu: The JonBenet Inside Circle Theory-Expanded Edition-With bonus chapter- It has now been nearly twenty years since the tragic death of JonBenet Ramsey and the case grows colder. Little Girl Blu sheds new light on this terrible crime to give a different and fresh analysis. By presenting the evidence in a new manner, it shows that previously thought notions of how the murder was committed do not stack up, and that many original suspects provided a number of contradictory statements. Respectful and demonstrative, rather than accusatory, Little Girl Blu gives one of the saddest and most mysterious murder cases in US history, a restored hope that we can at least come closer to solving it, to make sure justice is finally given.
