AUDITING THAT MATTERS

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 266 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Auditing that matters provides practical advice from an experienced chief audit executive (CAE) who is considered one of the most influential global thought leaders in the internal audit profession. Its about: - Providing the assurance, advice, and insight that the leaders of the organization need - Focusing on the risks and issues that matter to the executive management team and the board - Practicing enterprise risk-based auditing - Communicating effectively to management and the board what they need to know, when they need to know, in a useful and actionable form - Building the team and processes to deliver world-class internal audit services Internal auditing can matter to the leaders of the organization by providing information they need to make decisions with confidence in managements ability to manage risks and execute on strategy. The book has been acclaimed by prominent leaders in the profession from around the world. This is a timely book for internal auditors who want to accelerate their careers. Norman provides powerful career advice and lessons learned for delivering outstanding customer service in a profession where the performance bar is rising daily as are stakeholder expectations. I would make it a must read for my team members. - Larry Harrington, CAE at Raytheon and former Chairman of the Board of the IIA For auditors looking for a book on Value-added auditing; this is the edition for you! Normans clearly describes the how-to methods for auditing that matters, and this is a must read book for all auditing leaders! - Steve Goepfert, retired CAE of United Airlines and former Chairman of the Board of the IIA Norman has pulled clear, insightful and useful recommendations from his years of...
