paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2007 08 of Pages: 229 in Publisher: China Forestry Publishing House CNC Fundamentals and Applications is based on the teaching of vocational and technical education requirements. combined with the needs of the modern enterprise technology development written. The book is Chapter 7. the main contents include an overview of the CNC technology. CNC machining technology and programming. the mechanical structure of CNC machine tools. computer numerically controlled (CNC) system. servo system with position detection device. use and maintenance of CNC machine tools. CNC technology trends . CNC Fundamentals and Applications seeks close contact with the actual production. in order to cultivate the students' ability main line. highlighting practical. theoretical plain. easy to understand. and more cases. the various chapters have established contact. has a certain independence of each chapter are accompanied by thinking questions and exercises. CNC Fundamentals and Applications as higher vocational teaching professional machinery manufacturing. mechanical and electrical integration. mold. CNC. automation. and can also be used as a reference book of professionals and technicians. Classification and characteristics of the composition and working principle 1.3 Contents: Chapter 1 CNC Technology Overview 1.1 CNC machine tools generation and development 1.2 CNC machine tools CNC machine tools thinking questions and exercises in Chapter 2. the basics of CNC programming of CNC machining technology and programming 2.1 2.2 CNC machine tools 2.3 CNC lathe programming 2.4 CNC milling machines and machining centers machining process design programming 2.5 Introduction to Programming thinking questions and exercises Chapter 3 CNC machine tools mechanical structure 3.1 Overview 3.2 CNC machine tool main drive system 3.3 CNC machine tool feed drive system 3.4 CNC machine tools Wrap the composition of the structure of...
