

Oral and Maxillofacial Medicine: The Basis of Diagnosis and Treatment (Paperback)

By Crispian Scully

Elsevier Health Sciences, United Kingdom, 2013. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. The new edition of this highly successful volume continues to offer readers with a systemized and objective approach to the practice of oral and maxillofacial medicine. Fully updated throughout with over 100 new photographs and artworks, Oral and Maxillofacial Medicine 3e presents a straightforward, easy-to-read guide to the successful diagnosis and treatment of the most common and potentially serious disorders seen in clinical practice. Maintaining a strong patient-centred approach throughout, the book also explores relevant systemic disorders and includes a reference section on eponymous and other conditions to ensure completion of the subject area. Full treatment options are given - including when to refer to medical, oncology or surgical colleagues - together with a comprehensive section on adverse drug reactions. Prepared by an author of international renown, this clearly written and beautifully illustrated book includes a wealth of anatomical artwork, treatment algorithms, clinical photographs, tables and pull out boxes as well as sample Patient Information Sheets . Winner of the 2004 RSM/Society of Authors Book Award in the category of New Authored Book , and placed Highly Commended in the BMA Medical...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
