However, as they move deeper into the forest, a discovery awaits them that is more horrific than what is chasing them. About Horde 2: Greener Pastures, the sequel to Horde, continues the journey of a small group of survivors in a world overrun by zombies. In Horde 2, the survivors face a new threat, which forces them to return to the city that once was their home to seek out shelter and maybe a solution for the world. Unfortunately, the city is guarded by a selfish General who knows the survivors scientist, Dr. Munson, very well and aims to use his loyal men to stop anyone from entering the city. About Horde 3: Egression is the final book in the Horde Trilogy. After regaining access to the city, the survivors barricade themselves in Dr. Munson s old facility, where it is hinted everything and everyone in the world can be saved with something that is hidden in the basement.
