Reviews

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

THE SPIRIT LENS: A NOVEL OF THE COLLEGIA MAGICA

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In a kingdom on the verge of a grand renaissance, where natural science has supplanted failing sorcery, someone aims to revive a savage rivalry. For Portier de Savin-Duplais, failed student of magic, sorcery's decline into ambiguity and cheap illusion is but a culmination of life's bitter disappointments. Reduced to tending the library at Sabria's last collegia magica, he fights off despair with scholarship. But when the king of Sabria charges him to investigate an attempted murder that has disturbing magical resonances, Portier believes his dreams of a greater destiny might at last be fulfilled. As the king's new agents confide, Portier much to his dismay is partnered with the popinjay Ilario de Sylvae, the laughingstock of Sabria's court. Then the need to infiltrate a magical cabal leads Portier to Dante, a brooding, brilliant young sorcerer whose heretical ideas and penchant for violence threaten to expose the investigation before it's begun. But in an ever-shifting landscape of murders, betrayals, old secrets, and unholy sorcery, the three agents will be forced to test the boundaries of magic, nature, and the divine.
