Seven Days to Brooklyn (a Sara Robinson Adventure) (Volume 1)

By Christopher Westley

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 388 pages. Dimensions: 7.8in. x 5.1in. x 0.9in.Sara Robinson, the daughter of an affluent medical research doctor and recently orphaned, is on a journey across the United States from Texas to Brooklyn. Her trip will take her through the apocalyptic wasteland where the ordinary citizen has turned into a ravaged zombie, recently infected with a hybrid version of the Ebola virus, strain 27x. FLIGHT Sara meets up with an unlikely survivor, many years her senior that helps her along the way. Traveling with her companion, Mac wonders if the twelve-year-old really needs his help or if he is the one that is depending on her to deliver them safely to their destination nearly 2200 miles away. FIGHT and SURVIVE The duo is harassed non-stop by a paramilitary faction of the defunct U. S. Government who are held up in a secret bunker high in the Rocky Mountains as Sara and Mac navigate the wasteland commandeering motorcycles, airplanes and walking the endless miles north while battling their adversaries. This item ships from La Vergne,TN. Paperback.
