Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

(Dr. Alexa Rogahn)

SIX GREEK TRAGEDIES: PERSIANS PROMETHEUS BOUND WOMEN OF TRACHIS PHILOCTETES TROJAN WOMEN BACCHAE

Methuen Publishing. Paperback. Condition: New. 320 pages. Dimensions: 8.9in. x 6.2in. x 0.8in. A single-volume edition of the major Greek tragedies. In a period of sixty-six years, three Athenian playwrights produced a series of tragedies which became a touchstone for drama for the next two and a half thousand years. The six plays in this volume include Aeschylus Persians (472 BC), the earliest surviving Greek tragedy and only surviving history play; his Prometheus Bound, perhaps the most deeply mythological of all tragedies, presenting an archetype of the human condition; Sophocles Women of Trachis, a deeply poignant piece, portraying Heracles' death through his wife's mistake; his strange Philoctetes, which presents a fascinating moral debate and a young man's realisation of the importance of loyalty to his own ideals; Euripides Trojan Women, the greatest anti-war play ever written; and his intangible Bacchae, a play full of paradoxes which functions at many different levels. The volume is edited and introduced by Marianne McDonald, Professor of Theatre and Classics, University of California, San Diego, and J. Michael Walton, Professor of Drama at the University of Hull. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
