

## Essential Organic Chemistry with MasteringChemistry, Global Edition (Mixed media product)

By Paula Yurkanis Bruice

Pearson Education Limited, United Kingdom, 2015. Mixed media product. Condition: New. 3rd edition. Language: N/A. Brand New Book. For one-term courses in Organic Chemistry. This package includes MasteringChemistry (R). A comprehensive, problem-solving approach for the brief Organic Chemistry course. Modern and thorough revisions to the streamlined, Essential Organic Chemistry focus on developing students problem solving and analytical reasoning skills throughout organic chemistry. Organized around reaction similarities and rich with contemporary biochemical connections, Bruice's Third Edition discourages memorization and encourages students to be mindful of the fundamental reasoning behind organic reactivity: electrophiles react with nucleophiles. Developed to support a diverse student audience studying organic chemistry for the first and only time, Essentials fosters an understanding of the principles of organic structure and reaction mechanisms, encourages skill development through new Tutorial Spreads and MasteringChemistry tutorials, and emphasizes bioorganic processes. Contemporary and rigorous, Essentials addresses the skills needed for the 2015 MCAT and serves both pre-med and biology majors. Personalize Learning with MasteringChemistry (R). MasteringChemistry from Pearson is the leading online homework, tutorial, and assessment system, designed to improve results by engaging students before, during, and after class with powerful content.
