Paracord Collection: Paracord Projects and Ways of Using Them Book 1 Are you looking for a new craft material to bring into your projects? Have you ever tried using paracord? It s not only incredibly versatile and fun to work with, but very strong as well. This cord started out being used in the making of parachutes, so you know it s tough. Not only that, but there are plenty of different colors available these days. It s no wonder people from all walks of life are obsessed with seeing what they can make with paracord. And anything you do make with it, can be unraveled and used for a variety of situations, including survival and emergency. In this book, you will learn how to make things ranging from keychains to pencil holders; from toys for your children, to a survival tent that takes almost no time, or materials, to put together. This is some truly amazing cord, and you won t regret learning how to make all sorts of things with it. Book 2 Paracord is one of the most widely used objects to create various durable and rugged survival objects. Every prepper knows that they need to be prepared to face a worst-case scenario and in such an adverse situation, paracord could be your new best friend. This guide will be your one-stop solution to help you know every essential thing about paracord and how you can use it wisely to survive. It covers the following topics that are related to paracord: The basic characteristics of paracord The...
