

Ethics Primer of the American Psychiatric Association (Paperback)

By American Psychiatric Association

American Psychiatric Association Publishing, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. In questions of psychiatric ethics, simple yes or no answers are rare, yet questions arise frequently in the clinical setting. Should I accept a patient's invitation to a party? Is it OK to tell a patient that I, too, have had a depression? Can I release sensitive information about my patient without the patient's consent? Can I give a psychiatric opinion about someone I've never examined? A shortage of ethics instruction from medical school through residency has left many psychiatrists facing the increasingly complex field of ethics without a clear guide to ethical decision making and conduct until now. Informed by some of the formal proceedings of the APA Ethics Committee, Ethics Primer of the American Psychiatric Association presents today's ethical dilemmas in eleven informative chapters -- brought to life by the clinical vignettes based on actual cases seen by this primer's distinguished contributors. • Boundary violations between the doctor -- patient relationship and any other relationship (e.g., social, sexual/romantic, business) • Issues such as informed consent, psychopharmacology, hospitalization, and psychotherapy with children, adolescents, and families • Issues such as confidentiality, competence...

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

-- **Desmond Becker**

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).

-- **Ambrose Thompson II**
