OPERATION STRONG SPINE: A BLUE PRINT ON HOW TO SAVE SPINE, MONEY PRODUCTIVITY (PAPERBACK)

Perspectis, Inc., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why Is The Operation Urgent? Are you an ergonomist, occupational health and safety specialist, productivity specialist, workplace safety officer, or HR manager? Have your staffs complained to you about their sore backs due to their work, prolonged sitting, or prolonged standing at work? Have they complained to you that the back problems are affecting their productivity at work? Have they asked you to send them to doctors or hospitals for checkups or treatments for their back? Have they missed work days due to their back problems? If your answer to any of the above questions is yes, you are not alone. The 2009 National Health Interview Survey (NHIS) indicated that, during a 3-month period alone, 15 percent of the surveyed persons reported having pain in the neck area, and 28 percent reported having pain in the lower back. In this book you will discover . - how much productivity back and neck pains are really costing your company each year - simple blue print helping you save spine, money and productivity at your workplace - why Dynamic Ergonomics can offer solutions that you have been looking for - effective exercise programs helping your employees save their necks and backs.
