Amazon Publishing, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From the author of *Like Water for Chocolate* comes a richly layered collection of stories, essays, and recipes that delves into affairs of the heart, the spirit, and, of course, the stomach. In this fully illustrated book of musings and memories, beloved novelist Laura Esquivel reflects on the powerful relationships that shape us and the central role of food in them all. With imagination, intimacy, and wry humor, she offers up a banquet of vivid writings and mouthwatering recipes. Between these pages you ll discover warm kitchens; rich, fragrant moles; and loved ones sharing the essential joy of cooking. The women who taught Esquivel to cook approached food with a spiritual reverence--they were, in essence, priestesses and alchemists. Under their guidance, Esquivel learned that there is magic in food and in those who prepare it. This magic is felt when we close our eyes to take that first perfect bite, and it brings flavor to the writings in this beautiful collection.
