BABY, I M NOT A MONSTER (PAPERBACK)

Lydian Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Gay erotica you can really sink your teeth into. If around 10 per cent of the male population is gay then it stands to reason 10 per cent of vampires, werewolves, ghosts, and other paranormals must lean toward a predilection for their own gender. This volume of erotica explores the world of gay male monsters : from a dentist who treats a vampire with a fang problem, through a young man who has the annoying ghost of his favorite gay porn star living in his wardrobe, to an Icelandic troll who finds a new career on a gay cruise ship as a Viking stripper. These and other stories, told with Barry Lowe s infectious good humor, will give you shivers of hot pleasure. Baby, I m Not A Monster was originally published by loveyoudivine Alterotica and includes - The Vampire s Guide to Dental Hygiene, Stupid Cupid, Pride Joy, My Dad s a Vampire, Gadigal, Guys Trolls and Seeing Things - All originally published as individual eBooks by loveyoudivine Alterotica.
