JOHN FAHEY: PAINTINGS (HARDBACK)

DOWNLOAD

Inventory Press LLC, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. The much-revered avant-garde guitarist John Fahey (1939-2001) incorporated influences ranging from folk, blues, and bluegrass to classical music, musique concrete, and noise in his primarily acoustic guitar-based compositions. Considered a legend by many, Fahey released upward of three dozen LPs in his lifetime. Relatively late in life, Fahey extended his so-called American Primitive approach beyond music, and into the creation of a substantial body of paintings created in makeshift studios in and around Salem, Oregon. Painting on found poster board and discarded spiral notebook paper, working with tempera, acrylic, spray paint, and magic marker, Fahey s intuitive approach echoes the action painters and abstract expressionists. The same alluring and tranquilizing aesthetics that defines much of Fahey s musical output are equally present in his paintings. The first publication focusing on his visual output, *John Fahey: Paintings*, edited in collaboration with Audio Visual Arts (AVA), is illustrated with 92 plates and is accompanied by essays from Keith Connolly, founding member of No-Neck Blues Band, and the critic Bob Nickas.
