## ELISA FACING THE SEA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Elisa Facing the Sea is a story of loss and reunion, love and friendship, rejection and acceptance. A book that talks about the first love, of our own acceptance and also by others; of longings and hopes, heartbreaks and disappointments, of pain. The novel begins when two women meet again on the top of a cliff after eighteen years of absence. The past linking these two women, Nuria and Elisa, is built on love, relinquishment, and pain. Their meeting will mean the return to that lost past, their teenage years, their relationship and the people they left behind. In spite of the years, they could not forget each other, leading to this encounter that will allow them a second chance. \*\*\*\*\* Totally recommended. An incredible book, full of feelings and emotions, a story that stays in your mind for a long time. Everyone should read this book to understand the pain of homophobia, intolerance and sexist violence. Valeria is wild, outspoken and...
