

Weblogic Server 6.1 Workbook for Enterprise Java Beans

Filesize: 8.69 MB

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jace Gusikowski IV)

WEBLOGIC SERVER 6.1 WORKBOOK FOR ENTERPRISE JAVA BEANS

O'Reilly Media. Paperback. Condition: New. 256 pages. Dimensions: 9.4in. x 7.5in. x 0.6in. Although EJB applications themselves are portable, the manner in which developers install and run EJB products varies widely from one vendor to the next. The goal of this WebLogic workbook is to discuss vendor specific requirements and best practices and introduce tools like the WebLogic Administration Console, all in the context of building and running the example programs for O'Reillys Enterprise JavaBeans, 3rd edition. The Workbook guides you step-by-step, explaining how to build and deploy working solutions in a particular application server, and provides useful hints, tips and warnings. This WebLogic 6. 1 Workbook was originally published by Enterprise JavaBeans author Richard Monson-Haefels Titan Books publishing company. O'Reilly thought so highly of it, we bought the rights to publish it ourselves, in order to give more developers access to this critical information. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
