Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Billy and the Easter Bunny s Adventures Through the Alphabet is a unique adult coloring book / pseudo-graphic novel from the mind of San Francisco artist and independent filmmaker, Dave O Shea. The story centers around Billy, a curious young boy who befriends the Easter Bunny after finding him showering in his parents bathroom one day. In exchange for Billy keeping his mouth shut about breaking into his house, the Easter Bunny takes him on an educational journey through the alphabet, teaching him hundreds of fun words and valuable life lessons about the great, big world around them (through the Bunny s jaded and extremely cynical filter, of course). So join Billy and the Easter Bunny on this whimsical and unpredictable trek from A (Alien) to Z (Zen). You ll be glad you did. **PARENTAL ADVISORY: Contains graphic images (including violence, nudity, the Clergy, etc.) and some uncomfortable truths, not recommended for children or adults.
