Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Reliability: Although I have done my best to ensure that the text you read is error-free in comparison with an exact reprint of the standard edition--Macmillan s 1910 Library Edition--please exercise scholarly caution in using it. It is not intended as a substitute for the printed original but rather as a searchable supplement. My e-texts may prove convenient substitutes for hard-to-get works in a course where both instructor and students accept the possibility of some imperfections in the text, but if you are writing a scholarly article, dissertation, or book, you should use the standard hard-copy editions of any works you cite.
