PLEASE JOIN THE FIGHT TO PRESERVE THE HISTORY OF THE CONFEDERATE STATES BY PURCHASING THIS BOOK. DO NOT ALLOW THE POLITICALLY CORRECT CROWD DESTROY THE PROUD HISTORY OF THE SOUTH. The complete Constitution of the Confederate States of America and the Confederate States of America Declaration of the Immediate Causes Which Induce and Justify the Secession of South Carolina from the Federal Union. America s history is far reaching. Our nation has experienced times of joy, times of inhumanity, times of sorrow and times of war. Sadly, we are now in times when a few individuals would elect to erase portions of our history from our collective memory and eliminate it from the minds of future Americans. History cannot, and should not, be changed or forgotten out of some individuals desire to achieve political correctness as they define it. This type of political correctness is misguided, selfish and dangerous to a future America. I have authored this book to help preserve America s history for generations to come. No one disputes the horrendous nature of slavery, and slavery must be obliterated from the earth. Slavery was a part of American and world history, as was the Confederacy and the Civil War. We must not forget our past deeds, or we risk repeating them. We cannot allow pandering politicians lacking the courage to defend our history from destroying it. Included are photographs of the President of the Confederate States of America, Jefferson Davis. Commanding General of the Confederate Army, Samuel Cooper and Commanding General of the Army of Northern Virginia, Robert E. Lee.
