Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The summer of 2012 has become the Summer of 43 - as in the summer of R. A. Dickey s surrender to the mysteries of the knuckleball has given the man another chance at the greatness that eluded him early in his career. Given baseball itself another chance, for that matter, and promised us all that second chances really do come around in this life. In The Summer of 43, the widely published essayist and poet Joseph Bottum takes up this story with verve and skill. The bestselling author of The Gospel According to Tim and The Christmas Plains, he is, as the essayist Andrew Ferguson has noted one of America...
