

## Masterclass in Colour: A colouring workbook of techniques and inspiration (Paperback)

By Meriel Thurstan, Rosie Martin

PAVILION BOOKS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Discover the professional way to colour in with this masterclass from leading artists and art teachers. The colouring-in craze has left many people looking for more interesting creative work that simple colouring in does not satisfy. Masterclass in Colour offers readers ways to take their colouring to a new level and even start on the road to watercolour work. Award-winning artists and tutors, Meriel Thurstan and Rosie Martin, explain simple colour theory in an easy-to-understand language. They will talk you through which colours look good together; demonstrate how colours can vibrate together or make each other more muted. They explain the materials of coloured pencils, water-soluble coloured pencils and fibre pens (felt tips) and how to mix colours together in all three media. The book is arranged by colour, with sections on red, yellow, blue, green, orange, purple, pink and finally greys and browns, including a brief description of each and examples of what you can add to it to make secondary colours. There are demonstrations to show how to master shadows, texture and pattern, highlights and even water droplets. Each page of techniques and demonstration...
