Brand New Book ***** Print on Demand *****.Painstakingly edited for an optimum eBook reading experience, including an active table of contents, this is the report of the Debt Commission of the United States Government. President Barack Obama commissioned a bipartisan panel to investigate the staggering National Debt and annual deficit of the United States Federal Government. The terrifying findings of that commission were published in this report in December 2010. It is titled The Moment of Truth. Throughout our nation s history, Americans have found the courage to do right by our children s future. Deep down, every American knows we face a moment of truth once again. We cannot play games or put off hard choices any longer. Without regard to party, we have a patriotic duty to keep the promise of America to give our children and grandchildren a better life. Our challenge is clear and inescapable: America cannot be great if we go broke. Our businesses will not be able to grow and create jobs, and our workers will not be able to compete successfully for the jobs of the future without a plan to get this crushing debt burden off our backs. Ever since the economic downturn, families across the country have huddled around kitchen tables, making tough choices about what they hold most dear and what they can learn to live without. They expect and deserve their leaders to do the same. The American people are counting on us to put politics aside, pull together not pull apart, and agree on a plan to live within our means and make America strong for the long haul. As members of the National Commission on Fiscal Responsibility and Reform, we spent the past eight months studying the...
