## **CROSSING OVER INTO THE LIGHT HANDBOOK: DYING IN PEACE (PAPERBACK)**

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Crossing Over into the Light. I wrote this handbook for you, and your loved ones to participate in together, and assist your loved ones in the final transition into their next life, making it the most loving, beautiful, sacred, and special transition possible. I have created A new way of crossing over without fear, enhancing the light and positive aspects of the dying (crossing over) process. I have added loving light ceremonies that anyone can do regardless of religious persuasion. My handbook covers the last chapter of your loved ones life, and the exciting next life they have to look forward to. I explain in detail the dying process, the way we can use energy in a more positive way, and creating a Circle of Light for them to cross over into the arms of Angels, Spirit Guides, and family members that are waiting on the other side to celebration their graduation. My handbook is the new 21st Century way to Cross Over into the Light.
