MONSTER HUNTER MEMOIRS: GRUNGE

BAEN, United Kingdom, 2017. Book. Condition: New. Language: English . Brand New Book. TWO MULTIPLE NEW YORK TIMES BEST-SELLING AUTHORS TEAM UP TO EXPAND LARRY CORREIA S MONSTER HUNTER UNIVERSE! When Marine Private Oliver Chadwick Gardenier is killed in the Marine barrack bombing in Beirut, somebody who might be Saint Peter gives him a choice: Go to Heaven, which while nice might be a little boring, or return to Earth. The Boss has a mission for him and he s to look for a sign. He s a Marine: He ll choose the mission. Unfortunately, the sign he s to look for is 57. Which, given the food services contract in Bethesda Hospital, creates some difficulty. Eventually, it appears that God s will is for Chad to join a group called Monster Hunters International and protect people from things that go bump in the night. From there, things trend downhill. Monster Hunter Memoirs is the (mostly) true story of the life and times of one of MHI s most effective--and flamboyant--hunters. Pro-tips for up and coming hunters range from how to dress appropriately for jogging (low-profile body armor and multiple weapons) to how to develop contacts among the Japanese yakuza, to why it s not a good idea to make billy goat jokes to trolls. Grunge harkens back to the Golden Days of Monster Hunting when Reagan was in office, Ray and Susan Shackelford were top hunters, and Seattle sushi was authentic. About Larry Correia and the Monster Hunter International series: [E]verything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people--gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow. -- Jim Butcher [A] no-holds-barred all-out page turner that is part...
