

The Flatey Enigma

By Viktor Arnar Ingolfsson

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Near a deserted island off the western coast of Iceland in 1960, the dawning of spring brings new life for the local wildlife. But for the body discovered by three seal hunters, winter is a matter of permanence. After it is found to be a missing Danish cryptographer, the ensuing investigation uncovers a mysterious link between the researcher and a medieval manuscript known as The Book of Flatey. Before long another body is found on the tiny island. This time, in the ancient Viking tradition, the victim's back has been mutilated with the so-called blood eagle. Kjartan, the district magistrate's representative sent to investigate the crime, soon finds himself descending into a dark, dangerous world of ancient legends, symbolism, and secret societies to find a killer. Nominated for the prestigious Glass Key award for Nordic crime fiction, The Flatey Enigma will keep you guessing until Kjartan has cracked the code.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
