Morgan James Publishing, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This insightful and personal handbook offers business leaders, teachers, therapists, coaches--individuals from all walks of life--a working guide to help them modify, improve, and change their behavior. Embracing the belief that effective behavior resides within each individual, Behavior Change does not tell its readers what they need to do differently but rather illuminates the process of changing behavior based on four fundamental principles: \* Awareness and acceptance are the first steps to creating lasting change. \* Understanding what holds habitual behavior in place is key to doing things differently. \* Improvement means making a new choice and replacing old behavior patterns with more effective and productive ones. \* Reinforcement emphasizes that practice with feedback brings improvement.
