Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE LATTER-DAY SAINTS MILLENNIAL STAR, VOL. 84: SEPTEMBER 7, 1922 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Latter-Day Saints Millennial Star, Vol. 84: September 7, 1922 I believe firmly that the citizenship of this country would be promoted and raised beyond computation if only there were some way of adequately teaching the principles of true religion to boys and girls, men and women. I look for no adjustment of these great disorders which now threaten the peace of our communities, which now threaten our industrial system, which threaten the security of property, wealth and acquired possessions, until men learn these great lessons of religion, until they learn that we cannot live in an established order of society until we are considerate of each other, until we do regard the interests of our fellows as sacredly as we regard our own interest and our own Welfare.
