UPWARD, INWARD, OUTWARD, FORWARD (PAPERBACK)

Touch Publications, United States, 2007. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book ***** Print on Demand *****.This workbook is the syllabus for a one-day workshop that includes the whole small group, not just group leaders. During the workshop, the members of your groups will take a self-assessment on the health of their group (in the areas of prayer, community, evangelism, and discipleship) and then work as a team to develop a four-month plan of action. This kind of group-assessment and planning dramatically increases the level of participation in group life and meetings for every member that attends. It also reduces burnout in leaders. A facilitator s guide is available in the last half of the Cell Group Leader Trainer s Guide (see below for a link). Powerpoint slides are available from our web site after purchase. The name and password to download them is printed on the copyright page. If you would like a TOUCH representative to facilitate this workshop for you, call us at 800-. We teach this in churches all over the world each year!.
