Leaves of Gold Press. Paperback. Condition: New. W. B. MacDougall (illustrator). 330 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. **TOLKIENS BOOKSHELF 1 THE SONG OF THE NIBELUNGS - ILLUSTRATED** This thirteenth century Germanic epic greatly inspired J. R. R. Tolkien. The story tells of the betrayal of the fair and fearless dragon-slayer Siegfried, and of his beautiful wives terrible revenge. Scholars have noted the influence of its pre-Christian heroic motifs, based on historic events and people of the 5th and 6th centuries, on Tolkiens writing of *The Lord of the Rings* and *The Hobbit*. Tolkien was aged five when this sumptuously illustrated translation by Margaret Armour was published in London. Undoubtedly a copy of it would have fallen into his hands during his boyhood. It contains more than seventy illustrations and hand-drawn ornate capital letters by renowned artist W. B. MacDougall, whose pictures illuminate the text with their delicate beauty. All are reproduced in this edition. MacDougall was a friend of famous art nouveau illustrator Aubrey Beardsley, and his own creations echo Beardsleys flowing lines. Armour uses an archaic form of English to preserve the high-flown style of the epic. In places, in *The Lord of the Rings*, Tolkien too employs this solemn, dignified and majestic form - reminiscent of the language of the King James Bible. In her introduction, Dart-Thornton points out a number of interesting links between this saga and Tolkiens work. Drenched in blood and tragedy, heroism and honour, beauty and nobility, this story gives us a glimpse into the literature that helped form Tolkiens imagination, leading to his most popular work *The Lord of the Rings*. - See more at: www.tolkiensbookshelf.com This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
