Reviews

The ebook is straightforward in read through preferable to comprehend. It is definitely simplified but shocks within the fifty percent of your pdf. Your lifestyle span is going to be transform when you total reading this publication.

(Dr. Jarrett Bednar)

THIRTY-EIGHTH BIENNIAL REPORT OF THE NORTH CAROLINA STATE BOARD OF HEALTH: JULY 1, 1958 JUNE 30, 1960 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Thirty-Eighth Biennial Report of the North Carolina State Board of Health: July 1, 1958 June 30, 1960 Dr. Baker discussed a proposed Sea Level Hospital addition for crippled children as information for the Board. NO action by the Board at this time was considered necessary as adequate machinery has been set up previously for the handling of this matter. As information, and by request of Dr. Walter Hunt of Raleigh, Dr. Norton discussed the use of tetanus toxoid instead of antitoxin in trauma cases. There was much discussion but it seemed to be the consensus of the group that this subject was not within the province Of the State Board of Health to suggest specific handling of these cases, in each of which the attending physician uses his best judgment to fit the need. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
