

Finders Keep Her (H.A.S.H series) (Volume 2)

By H. B. Stumbo

Hayley Stumbo. Paperback. Condition: New. 364 pages. Dimensions: 8.0in. x 5.2in. x 0.9in. A continuation of the Hide and Seek Her series I had survived time. Above everything I had been through, every bruise, cut, blow to the head or blow to the heart, nothing left a scar quite like that of time. It was unreal to me that I was even still breathing. I felt like breathing was a chore, one that I could have and should have given up but by some crazy divine power, I was meant to live. Time was the enemy. Time was the hardest thing I would have to get through. I was haunted. Haunted by two ghosts and time. Jackson Greene; the worst part of my life that would never let me be. Vance Wait; the best thing that ever happened to me that left a sour taste in his wake. Two ghosts with two different motives. I may be surviving time, but I had a feeling that time was going to eventually kill me. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
