

Interview with an American Monk: Health and Healing (Paperback)

By Steven L Hairfield

Innercircle Publishing, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the second book of a series of interviews with an American Monk, Dr. Steven Hair? eld. His understanding of life, of energy and of the universe is unparalleled by most western minds. He has an extensive background in nontraditional education by our American standards. Each time that we have had a conversation with him, he has shifted our perspectives in a variety of directions and expanded our minds to other ways of looking into our selves and looking into and at life and our surroundings. He is open and very genuine in his perspectives on a variety of subjects. He operates with and through consciousness or as he puts it, he works directly with the idea of the Creative Principle in a knowing sense. He says he does not separate himself from It like the majority of humanity and it is this idea alone that creates illness and inner disturbance with one s own self. If one desires to be whole then they must learn to operate in union with Higher Cause and not the lower as we do in...
