

Dr. Spock's Baby and Child Care (Paperback)

By Benjamin Spock

SIMON SCHUSTER, United States, 2012. Paperback. Condition: New. 9th Revised, Updated ed.. Language: English . Brand New Book. Dr. Benjamin Spock is America's most trusted name in child care and parenting, and his essential guidebook has topped bestseller lists for over sixty-five years. This fully revised and updated edition of the classic manual provides first time and experienced parents the best information about caring for new babies, toddlers, and adolescents in the twenty-first century. All of Dr. Spock's invaluable, time-tested advice is here, along with the most current medical practices and advances in health care. While still covering key parenting issues like accidents, illnesses and injuries, this edition of the classic also contains the latest on: * Immunizations * Nutrition and childhood obesity * Cultural diversity * Alternative and non-traditional family structures * Children's learning and brain development * Raising children with special needs * Environmental health * Increasingly common disorders such as ADHD, childhood depression, and autism--including medications and behavioral interventions * Children and the media, including screen time, video games, and the internet Updated by leading pediatrician Robert Needlman, the book includes a revised glossary of common medications and a resource guide that compiles the...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
