

Bridge Across the Abyss: Medical Myths and Misconceptions

By Firas Madbak

Universal Publishers. Paperback. Condition: New. 120 pages. Dimensions: 8.4in. x 5.5in. x 0.2in. A fearless investigation of mainstream medicines most revered dogma, Bridge Across the Abyss is solidly based on trusted medical literature. Find out why advice from authorities on screening tests, blood transfusions, pain and anti-reflux medicines, vitamin supplementation, cholesterol and diet is often wrong. See how clinical trials are slanted. This is a single compendium consisting of a discussion that describes commonly employed clinical practices that are instituted and taught despite the surprising lack of data supporting their use. In essence, these have created a medical dogma that is seldom questioned and accepted as valid regardless of what the evidence has borne out. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
