

How to Learn - How to Teach: Overcoming the Seven Barriers to Comprehension: Parents Students Edition (Paperback)

By MR Roger E Boswarva Cpt

Ability Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the only How-To-Book on how to learn or teach without colliding with the seven barriers to comprehension that block learning. It s a must read for all parents with kids at school, home-schooling parents, teachers and students. This book deals with the fact that we all have a native ability to learn: young children do it naturally. Thus the question becomes: what gets in its way? This interested the authors, who then set out to learn the reasons why there is so much academic failure in our schools. They discovered that there are Seven Barriers to Comprehension that block understanding and learning - and worse, it is our parents, teachers, and home-schooling educators that are unwittingly inflicting these difficulties on our children. It is not the children s fault! But it s not just kids in school that are being made dumb by these errors. The National Assessment of Adult Literacy, given in 2003 by the Department of Education, revealed only 31 percent of the nation s college graduates scored at the proficient level! And it is to be noted...
