Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Love Your Gay Neighbor tells the story of God, finds a reliable definition of love, shows how people in the Bible demonstrate that love, and equips you to love your gay neighbors. You will find answers to such questions as these: What happened to God? What caused Him to punish and destroy homosexuals in earlier times? Why does He write such things in his Book-what things happened that resulted in Him feeling the way He does about homosexual behavior? If God hates sin so much, why is He so patient with sinners? Temptation that is acted upon is sin. Many followers of Jesus endure tremendous same-sex attraction but never act on that temptation. They practice celibacy just as Jesus did. They do not define their lives...
