This fast paced, high octane story blends action in the air with action on the ground as the A10 acts as a guardian angel to beleaguered allied forces fighting hard in the Stan. Fighting a War against a battle hardened enemy in a hostile climate. The Fairchild Republic A10 Thunderbolt II is the unsung hero of the USAF that has had to prove itself time and time again. With many critics over the years, it has often been referred to as a private jet with a 30mm cannon. The same 30mm GAU-8 Avenger cannon that is still the heaviest rotary cannon ever mounted on an aircraft and packs a formidable punch. The Gulf war was the turning point for the A10 when it was realized what a formidable weapons platform, it truly was. The only fixed wing aircraft dedicated to the Combat Air Support role. This item ships from La Vergne, TN. Paperback.
