This book contains proven steps and strategies on how to declutter your life and experience the new more! We live in a world where stress is as common. We work to the point of extreme exhaustion. Everyone is just too rushed, hurried, and stressed. We alleviate our stress by using coping mechanisms that could potentially harm us - shopping for more stuff, binge eating, and engaging in time-wasting activities such as playing video games or even gossiping. We fill our lives with needless activities, relationships, and clutter. This makes us lose sense of who we really are and what s important to us. This is the reason why the Japanese people have developed a lifestyle that...
