Future City Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prequel to the series, *Running: Alien in the Mirror* is available free online. A man hell-bent on revenge for the death of his friend, in battle! Seeking revenge for the death of a friend ten long years ago, Major Jake Nanden has pursued his own personal demons with an almost religious fervour through life and through battle. He is a soldier so highly decorated for bravery that his fame reaches far beyond the desolate Jupiter moon, Io, where his battalion is stationed. His victories in the Jupiter Wars are hollow though, for he is a man scared of his own soul. His life seems to be a trap from which he cannot escape. His is the Replicant Company, and replicants, or clones, are despised by all. Likened to a cross between *Blade Runner* and *Paths of Glory*, you simply must read this beautifully constructed, intensely dark and powerful Science Fiction thriller with a twist, if you love Phillip K. Dick and Isaac Asimov. You can read Chapter One of this book FREE when you purchase any of the 3 eBook Short Stories collections - *Inchoate: (Short Stories Volume I)*, *Eighteen, Blue: (Short Stories Volume II)* or *Vampire: Beneficence: (Short Stories Volume III)* on Amazon. Categories: science fiction, thriller, alien, first contact, clones, starship.
