Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Judy Reese Singer s newest novel is a masterful story of the American experience. Between the past and present, between love and war, between the burdens of race and hope, a woman returns home to discover her father and a history she had never known. Rachel Fleischer has good reasons not to be at her father s deathbed. Foaling season is at hand and her horses are becoming restless and difficult. Her critical mother and grasping sister could certainly handle Marty Fleisher s resistance better without her. But Malachi, her eighty-something horse manager--more father to her than Marty has ever been--convinces Rachel she will regret it if she doesn t go. When a stranger at her father s funeral delivers an odd gift and an apology, Rachel finds herself drawn into the epic story of her father s World War II experience, and the friendships, trauma, scandal, and betrayals that would scar the rest of his life--and cast a shadow across the entire family. As she struggles to make sense of his time as a Jewish sergeant in charge of a platoon of black soldiers in 1940s Alabama, she learns more than just his history. She begins to see how his hopes and disappointments mirror her own--and might finally give her the means to free herself of the past and choose a life waiting in the wings. Prepare for Singer to keep you up all night ricocheting between a present day horse farm, family traumas, and the unthinkable racism in the military during WWII. The long arm of war travels through generations in this emotional drama. --New York Times bestselling author Jacqueline Sheehan.
