There are many people in the area of praise and worship leading that feel there is something more to reach for. something beyond our typical experiences in worship that speaks to a new, even greater purpose. Many questions have risen concerning the hows, the whats of touching heaven when we sing, when we dance, when we worship. Why can t I seem to go where that leader goes when he sings? How do you even know what God is saying when you hear that sound? Answers seem hard to come by, as a God-given gift can be hard to explain or teach. Who says spiritual things have to be beyond the grip of understanding? Moving With Heaven: The Prophetic Worshiper s Handbook clearly and practically walks you through what it means to agree with God s purpose in sound, and to powerfully activate it in the heart of the earth. You will be enlightened as even the most supernatural of God s gifts can be put into simple terms so that you can grow in your understanding of who you are as a leader in worship.
